Section 1 – Introduction

This directory provides a list of Freedom Blue PPO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

From time to time, contract status may change, meaning that a provider's listing in the directory does not guarantee that the provider is still in the network or accepting new patients. If you regularly see a network provider, and that provider's contract is terminated, Freedom Blue PPO will notify you in writing regarding your options 30 calendar days before the effective date of the termination.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Freedom Blue PPO members may go to any health care provider of their choice — either in or out of the Highmark Medicare Advantage PPO Network — as long as the provider has not opted out of the Medicare program. If you get a health care service from a network provider, this is known as an in-network service. Eligible in-network services are covered in full except for small copayments or coinsurance for certain services. A health care service you get from a non-network provider is known as an out-of-network service. You may use non-network providers to get your covered services, but your out-of-pocket costs may be higher than if you use our network providers. There are special rules for out-of-network services. Certain services that we offer are not covered out-of-network. Also, you do not need to get a referral or prior authorization when you get out-of-network services from non-network providers. However, before getting an out-of-network service, you may want to check with your plan to see if the services you are getting are covered by your plan and are medically necessary.

Out-of-network providers are under no obligation to treat Freedom Blue PPO enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at 1-888-459-4020, seven days a week, 8 a.m. - 8 p.m., TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

Before you pay any bills you receive from any provider either in or out of the Highmark Medicare Advantage Network, call the Member Service Department for instructions at 1-888-459-4020. TTY users should call 711. Eligible services will be paid by Freedom Blue PPO. You should never pay any non-network provider more than what the provider is allowed by Medicare.

Ask the non-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-network provider for our share of the bill and will let you know what, if anything, you must pay. If you pay for any emergency or urgent care you receive from providers who are not part of the network, request reimbursement by submitting the receipt(s) for care you received to the address listed below:

Freedom Blue PPO, P.O. Box 1908, Parkersburg, WV 26102

For emergency care, including post stabilization care, and urgently needed care, your out-of-pocket costs will be the same both in and out-of-network. For cost sharing information see your EOC.

Freedom Blue PPO also pays for medically necessary, non-emergency services needed to ensure that the member remains stabilized, from the time the treating hospital requests authorization until the member is discharged from the hospital, placed in the care of a Highmark Medicare Advantage Network doctor, or the treating doctor and Highmark agree to another arrangement.

Freedom Blue PPO also pays for treatment members need for illnesses or injuries which are not emergencies, but which could cause serious problems or endanger your health if treatment is delayed. You are covered for such urgent medical needs while you are within or outside the service area. While out of the area, get the care you need from any provider of your choice. If the Highmark Medicare Advantage Network is not available or accessible due to an unusual event, you are also covered for urgent care you receive from any provider.

Freedom Blue PPO pays for emergency care members receive within the service area and while traveling outside of the service area, for both inpatient and outpatient services that are furnished by a qualified provider and needed to evaluate or stabilize an emergency medical condition. When you need emergency care, go directly to a hospital emergency room or call 911 or your local emergency number. Show the hospital your Member ID card. In an emergency you never need to contact any plan provider for authorization. However, as soon as possible, you or someone else should contact your preferred provider or PCP, if you have one, so that they may provide follow-up care.

Freedom Blue PPO members are encouraged to choose a preferred provider/PCP, but it is not required. You may select any provider from the Preferred Providers/Primary Care Provider section of this directory as your preferred provider.

All Network physicians are carefully screened and credentialed to meet strict quality standards. Before you contact any provider in this directory, please read your EOC for detailed information about your specific plan's benefits, limitations, copayments and coinsurance, and how to receive care.

Highmark Blue Cross Blue Shield understands the importance of helping our members find network health care providers who are accessible to people with physical disabilities and who can communicate with people who have sensory disabilities. If you'd like to know if a particular health care provider can accommodate these special needs, please contact the provider's office directly. If you prefer, call the Member Service Department at 1-888-459-4020, TTY users should call 711, or visit our website at [medicare.highmark.com](https://www.medicare.highmark.com) and click on **Find a Provider** in the footer of the page.

To view board certification information and the hospital affiliation of your PCP or network specialist, visit our website at [medicare.highmark.com](https://www.medicare.highmark.com) and click on **Find a Provider** in the footer of the page. Search for the physician, then click on the provider's name to view this information. In addition to this information, to obtain the full professional qualifications of network providers, including medical schools attended and residencies completed, call a Member Service Representative at 1-888-459-4020, TTY users should call 711.

Members of Freedom Blue PPO plan can go to all the pharmacies on this list, but costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with  to distinguish them from other pharmacies in our network that offer standard cost-sharing.

 Accepting New Patients at this Location – When  is present next to a provider name, that means the provider is accepting new patients at that location. Any provider name without the  is NOT accepting new patients at that location.

 Write Electronic Prescriptions – When a  is present, that provider writes electronic prescriptions. Any provider without a  will not offer this option.

 May only perform Home Visits/House Calls – When the  is present next to a provider or practice, it means that the provider/practice may only perform home visits/house calls and may not be available for you to visit in an office setting. Please call the provider/practice to confirm if they are able to treat you in an office setting.

Plan primary care and behavioral health providers are required to meet the following standards for appointment wait times:

- Urgent/emergent services – immediately;
- Non-urgent/emergent services requiring medical attention – 7 business days;
- Routine/preventive care services – 30 business days.

If a doctor or provider speaks a non-English language, there will be a field added to their listing titled “Languages Spoken” followed by the languages the person speaks. English is not included because it is assumed all providers speak English. If a provider only speaks English, the “Languages Spoken” line will not be shown in their listing.

 Accepting New Patients at this Location – When  is present next to a provider name, that means the provider is accepting new patients at that location. Any provider name without the  is NOT accepting new patients at that location.

 Write Electronic Prescriptions – When a  is present, that provider writes electronic prescriptions. Any provider without a  will not offer this option.

 May only perform Home Visits/House Calls – When the  is present next to a provider or practice, it means that the provider/practice may only perform home visits/house calls and may not be available for you to visit in an office setting. Please call the provider/practice to confirm if they are able to treat you in an office setting.

Plan primary care and behavioral health providers are required to meet the following standards for appointment wait times:

- Urgent/emergent services – immediately;
- Non-urgent/emergent services requiring medical attention – 7 business days;
- Routine/preventive care services – 30 business days.

If a doctor or provider speaks a non-English language, there will be a field added to their listing titled “Languages Spoken” followed by the languages the person speaks. English is not included because it is assumed all providers speak English. If a provider only speaks English, the “Languages Spoken” line will not be shown in their listing.

 Accepting New Patients at this Location – When  is present next to a provider name, that means the provider is accepting new patients at that location. Any provider name without the  is NOT accepting new patients at that location.

 Write Electronic Prescriptions – When a  is present, that provider writes electronic prescriptions. Any provider without a  will not offer this option.

 May only perform Home Visits/House Calls – When the  is present next to a provider or practice, it means that the provider/practice may only perform home visits/house calls and may not be available for you to visit in an office setting. Please call the provider/practice to confirm if they are able to treat you in an office setting.

Plan primary care and behavioral health providers are required to meet the following standards for appointment wait times:

- Urgent/emergent services – immediately;
- Non-urgent/emergent services requiring medical attention – 7 business days;
- Routine/preventive care services – 30 business days.

If a doctor or provider speaks a non-English language, there will be a field added to their listing titled “Languages Spoken” followed by the languages the person speaks. English is not included because it is assumed all providers speak English. If a provider only speaks English, the “Languages Spoken” line will not be shown in their listing.

Retail Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. You may use any network mail order pharmacy listed in this directory to obtain covered prescription drugs.

If you're enrolled in a plan that offers both Preferred and Standard cost-shares (deductibles, coinsurance, or copays) for prescription drugs, your costs for some drugs may be less at a Preferred mail order pharmacy. Preferred pharmacies offer preferred cost-shares and are denoted by the  symbol.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact the mail order pharmacy sending your prescription. The mail order telephone numbers are listed below.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Member Service. Our contact information can be found on the front cover of this book.

Home infusion pharmacies specialize in the preparation and distribution of medications that are administered intravenously or by injection.

Our plan will cover your home infusion drug therapy if:

- Your prescription drug is prescribed by an authorized provider.
- We have approved your prescription drug for home infusion therapy.
- Your prescription drug is listed on our formulary or your provider has obtained a formulary exception through preauthorization.*

* Home infusion drugs may be covered under either the Part C supplemental benefit or Part D prescription drug benefit. This requirement only applies when your home infusion drug is billed through Part D.

For more information, please contact Member Service. Our contact information can be found on the front cover of this book.

Out-of-State Pharmacies

Out-of-network providers are under no obligation to treat Freedom Blue PPO enrollees, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at 1-888-459-4020, seven days a week, 8 a.m. – 8 p.m., TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

The pharmacy network and/or provider network may change at any time. You will receive notice when necessary.

Highmark Blue Cross Blue Shield is a Medicare Advantage HMO, PPO, and/or Part D plan with a Medicare contract. Enrollment in these plans depends on contract renewal.

Benefits and/or benefit administration may be provided by or through the following entities which are independent licensees of the Blue Cross Blue Shield Association:

Highmark West Virginia Inc. d/b/a Highmark Blue Cross Blue Shield, Highmark Health Insurance Company or Highmark Senior Solutions Company.

All references to “Highmark” in this document are references to the Highmark company that is providing the member’s health benefits or health benefit administration and/or to one or more of its affiliated Blue companies.
